Brief Description of Examples of Success: Please provide one to three brief examples telling about successes and achievements we can help celebrate and bring attention to. The example should be brief, action oriented, qualitative and quantitative. Here are a few examples.

Provided economic literacy training to 48 people representing 10 coalition partners. Participants developed action plans to advocate for corporate tax fairness and the closing of corporate tax loopholes, the elimination of the regressive sales tax on groceries, and tax modernization proposals including a personal income tax with generous exemptions and graduated rates to ensure the wealthy pay their fair share.

Taught 25 boys, age 10 – 15 about financial literacy, manhood principles, effective communication, and power of words and images at the Calling all Males Youth Conference.

Convened more than 50 health professionals from all over the state of Kentucky to dialogue and take action on coal and clean energy issues and how these intersect with chemical companies and other toxic pollution sources.
